

Christian Gimber

PROFILE

I am a designer with a passion for identities, interfaces, and games. My expertise in design and development allows me to craft meaningful experiences with simplicity, consistency, and a strong attention to detail.

EXPERIENCE

LA Hacks 2016

August 2015 – May 2016

Lead Designer

Creative direction, design, and development for the largest hackathon on the west coast; effectively communicated values both internally and externally.
